THE SUSQUEHANNOCK

There Was a Child Went Forth

There was a child went forth every day,
And the first object he look'd upon, that object he became
And that object became part of him for the day or a certain part of the day,
Or for many years or stretching cycles of years.

Walt Whitman

DEDICATION

Mr. Jon Andes, better known as "John boy" or "Little Dutch Boy" to his football players, was voted by this year's graduating seniors to have the 1982 Susquehannock dedicated to him. For five years Mr. Andes has taught at H.H.S. and coached football for three years. He is amiable toward his students and well-liked among the teaching staff. We, the class of '82', would like to thank Mr. Andes for the Knowledge we received, and will long remember, from his Contemporary Issues class and wish him continued success at Havre de Grace High.

Symbols

A symbol is a visible sign of something invisible. These symbols, which are words and pictures, stand for ideas, emotions and things which mean something to the reader. This yearbook, made only of visible paper and ink, contains symbols of this year's life at Havre de Grace Senior High School. It is a tangible symbol of our memories. So we, the 1982 Susquehannock staff, have chosen "Symbols" as the theme for our yearbook.

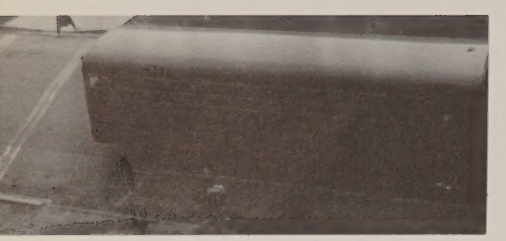
You are like a tree
You grew through the years
You grew for all to see
You grew so bold and dear

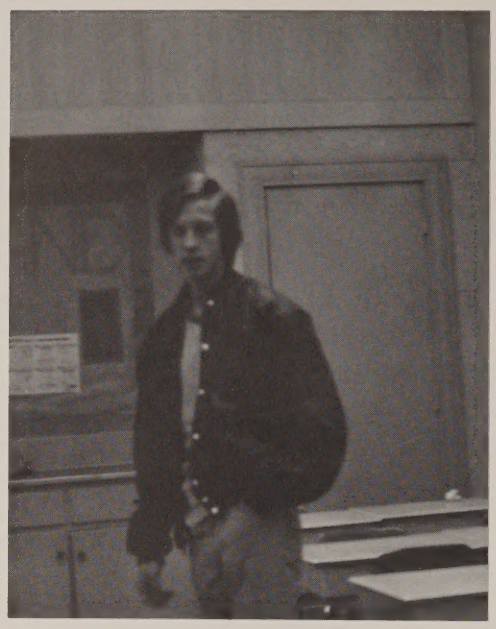
But like a tree you grew old
Too old, no longer to stand
Your liveliness has been sold
Sold to an ending hand

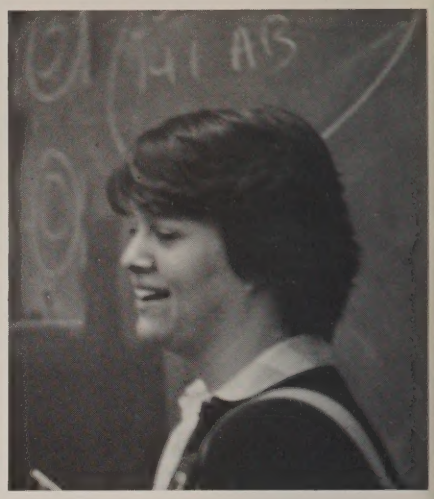
We will witness the demolishing of you
To you we bid good-bye
And please believe we'll miss you, too
But we'll see a new Havre de Grace High.

Monica Oals

LEARNING, WORKING AND SEARCHING TOGETHER







On September 9, 1981, Havre de Grace Senior High came alive for another ten months. The buses rolled in one by one, each delivering students who mingled with the walking students, for the first day of school. The halls became filled with teachers and students all anxious to get the new year started. As the day began it seemed to some upperclassmen that they had never left except when they were reminded by the yearly speech delivered by Dr. Dubel concerning all the new rules, regulations and "hereto's" and "therefore's."

The beginning of the new school year also brings about the reunion of old friends. Before the 8 o'clock bell rings, most students spend time talking with their friends about their summer and finding out who's in whose class. For the next 180 days the students of Havre de Grace High will work, learn and search together for their purposes in life.

SPIRIT WEEK

Spirit Week is that time when students show their true school spirit. On **Maroon and White Day** the team members donned their jerseys. **Hee-Haw-Westerner Day!** Everyone was really duded up in cowboy hats, skirts, and boots. The poor alligators were very worn out on **Preppy Day** looking at all those docksiders and button-down-shirts! Thursday was T-shirt Day. "Got that message?" on the most-awaited day. Friday-**Punk Funk** outfits decked the halls.

MARCHING ON!!

HOMECOMING

Novell Jackson with five touchdowns and a two point conversion led the Warriors to a 36-20 win over John Carroll. **Steve Johnson** gained four points for the team in conversions. The Warriors had 405.5 total offensive yards with 11 first downs.

The Warriors defense was awesome! Five sacks by **Malcolm Sheppard, Charles Vicari, Jeff Riley,** and **Novell Jackson,** along with interceptions by **Randy Barnes** and **Kevin Henry,** and a fumble recovery by **Charles Vicari** with **Johnny Brooks** leading the team in tackles and assists.

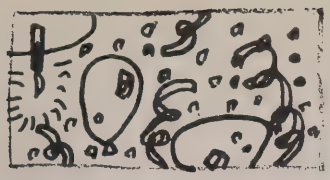
Jennifer Epps, Havre de Grace High's 1981 Homecoming Queen, was presented by Mayor Charles Montgomery during halftime activities Friday night, October 23 at the Havre de Grace—John Carroll Homecoming game. Jennifer received the Warrior headdress from Brenda Culley, 1980 Homecoming Queen. Despite the bad weather a large crowd of students and other supporters were on hand to applaud Jennifer's presentation and crowning.

VERY SPECIAL

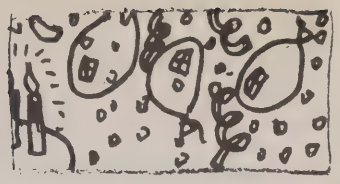
On October 24 the Spirit Club presented 1981 "Very Special" Homecoming Dance. The court and their escorts were presented and Jennifer Epps was crowned queen. Everyone enjoyed dancing to the music supplied by disc jockey, Mark Hemler

QUEEN JENNIFER

WARRIOR LIFE



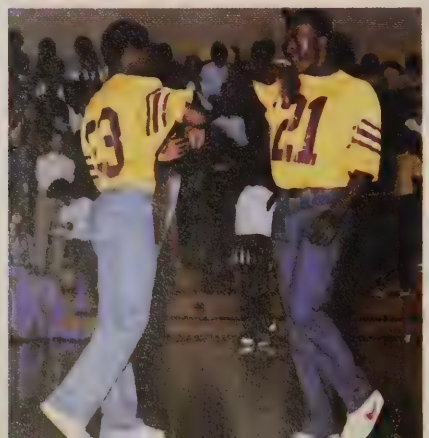
SURPRISE



Warrior life at Havre de Grace High is not all classes, study, books and tests. There are many opportunities throughout the day to be with friends and to socialize. One short opportunity is the four minutes between classes which some students like to stretch into five and six minutes to get in that important "last word". Other opportunities occur during the half hour before the 8 am first class bell in the halls. After school activities provide longer times to be with old friends and to make new ones. The most looked-forward-to time of the day every day is lunch time. Even though there are times when nothing on the menu appeals to the appetite, the chance to get together with friends for one half-hour and relax between classes is more important than food.

PEP RALLY

The Homecoming Pep Rally, held on October 23, was a big success. After the fall sports teams were introduced the contests began! Leaving with 'honors' were bubble blower Tony Jennings, balloon breakers Linda Southall and Jackie Harvey, and pie eater Mike Hawkins. Mr. Bollinger, a new teacher this year, won the pig kissing contest. In class contests the seniors dominated in the chain link contest, but the juniors rallied to win the class jug.



REMINISCE . . .

During the 1981-82 school year a portion of the school was torn down for renovations. The portion razed was more than just an old building 50 years plus; it was a symbol of the students long since graduated, the times of eras past and the memories cherished forever. The next two pages captured only a few of the memories that made Havre de Grace rich in a way unrelated to money.

Death Be Not Proud

Death be not proud, though some have called thee
Mighty and dreadful, for thou art not so;
For those whom thou think'st thou dost overthrow
Die not, poor Death; nor yet canst thou kill me.
From Rest and Sleep, which but thy picture be,
Much pleasure; then from thee much more must flow;
And soonest our best men with thee do go —
Rest of their bones and souls' delivery!

John Donne

In Memory of David Crawford and Michael Rosencrantz.

MESSAGE TO GRADUATES . . .

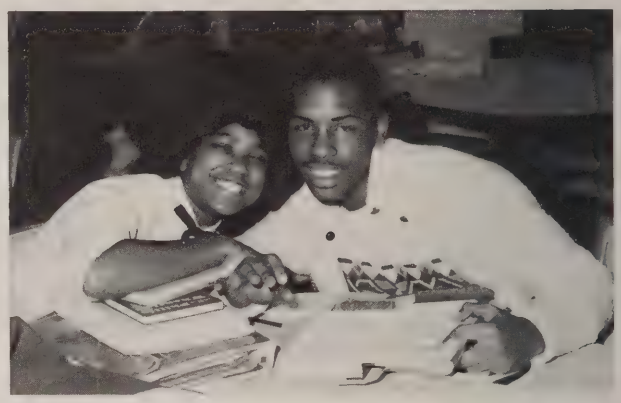
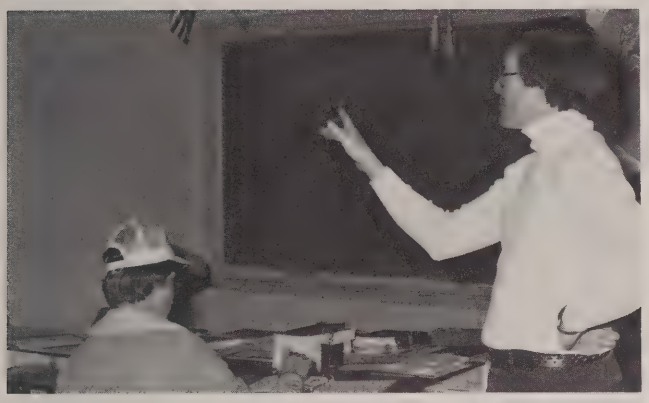
ACADEMICS

MEDIA CENTER

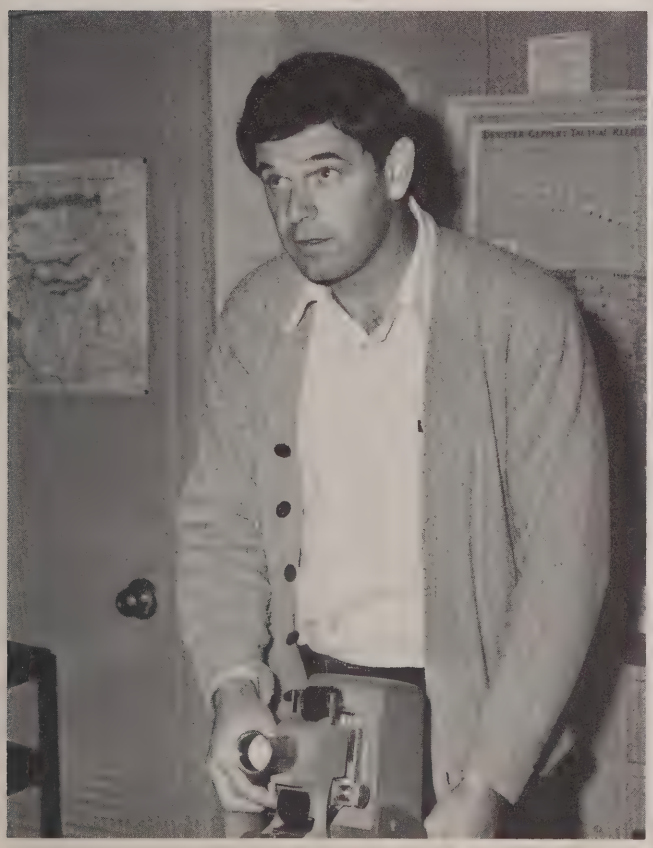
Our Media Center this year, under the helpful direction of librarian, Ms. Debra Kinsler and Mrs. Gloria Anderson, was a fulltime learning center for all students. It was used by individual students as well as entire classes working on class projects, reports, and term papers. Quiet concentration, browsing, friendly discussions, and watching the space shuttle launch were activities that made the Media Center a special place for students and teachers this year.

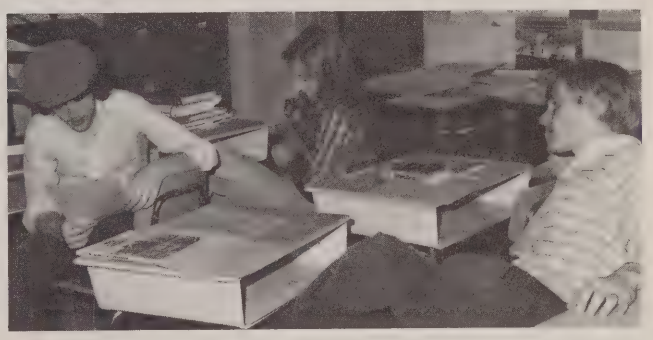


EXPLORING OUR WORLD



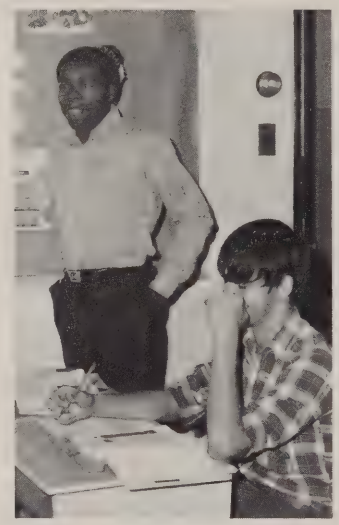
Keeping up on current events can be serious business. Information is gained from a wide range of sources which include filmstrips, newspapers, lectures, and books. One can remain informed in classes such as Cultural Geography, World History, Contemporary Issues, American Government, Social Studies Seminar, US History and the newly-introduced advanced placement courses in European History and United States History. These latter two courses offer the students a challenge beyond that provided by the regular social studies curriculum. On-going discussions in every class provide the students with the opportunity for exploring ideas, conflicts and solutions in our past and present world.

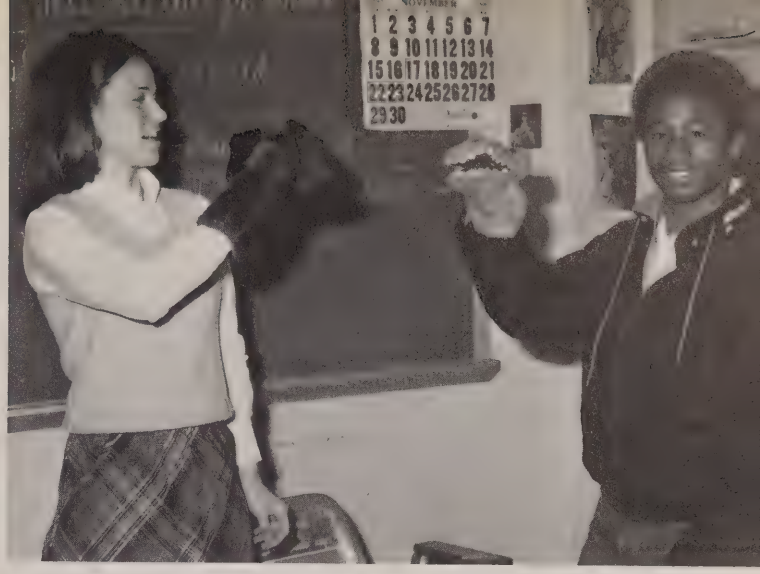




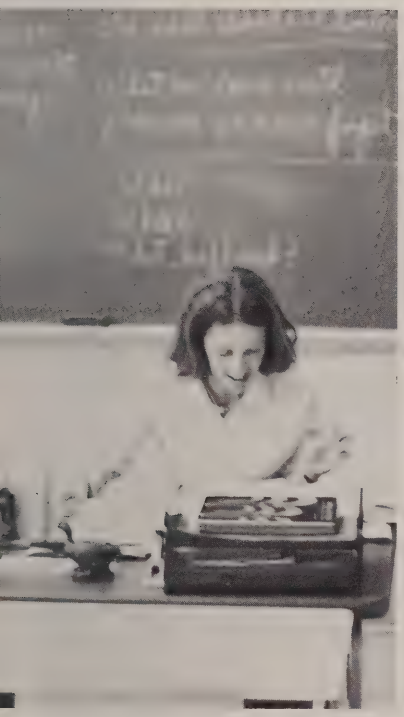
CLASSE DE FRANCAIS

"Parlez vous francais?" All of Ms. Barbara Sewell students answered "Oui, oui" to the question. Ms. Sewell teaches two classes of French 1 and one combined class of French 2 and 3 each week. Ms. Sewell stressed drill in basic French vocabulary and grammar at all three levels. In class students were exposed to the culture, history and geography of "la belle France." This year's Christmas project was to learn French Christmas words, carols, and sayings, and make a French "Joyeux noel" card. French 1 students also baked and enjoyed eating traditional French cookies made from recipes that Ms. Sewell brought in. Ms. Sewell has taught French for 9 years and came to Havre de Grace this year from Bel Air.





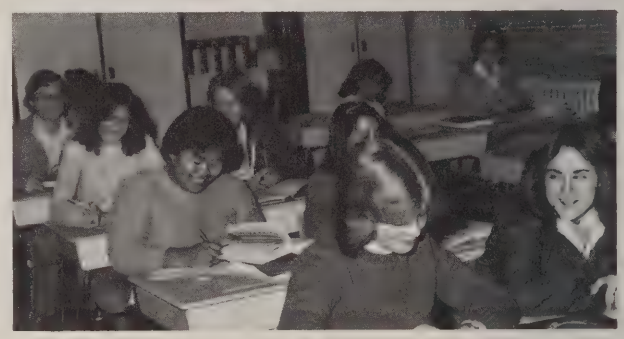
LA CLASSA DE ESPANOL



¿Habla Espanol? Si yo Hablo¿. Que pasa? Learning to speak Espanol at Havre de Grace High School was a highly enjoyable experience for Spanish students thanks to the talented team of Ms. Barbara Newell and her puppets. The puppets and Ms. Newell introduced new dialogues each week and later reviewed them together. After a dialogue was learned, students also had the opportunity to work with the puppets who at various times assumed the names of Paco, Jose, Maria, Julio and Anita. Because it was fun to learn in this manner, the students absorbed the language quickly. The use of familiar proverbs such as "Mas vale tarde que nunca" was another technique that La Senorita Newell used to make the language more meaningful and exciting to los estudiantēs.

READING, LEARNING, GROWING

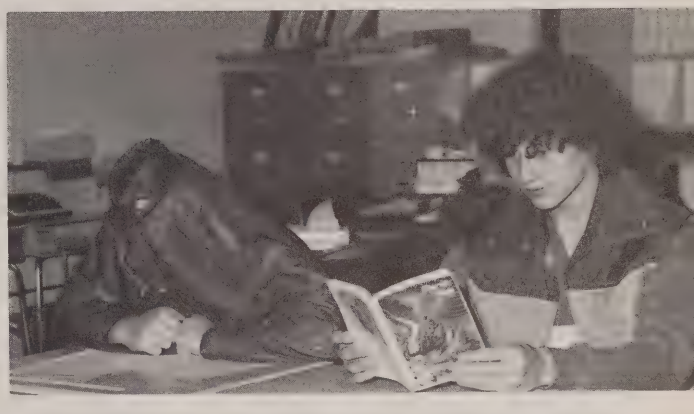
Many elective courses in the Havre de Grace High English curriculum provided students with opportunities to become proficient in the basics of English while at the same time developing their creativity. Essentials in Communication, Business English, Composition 11, Mystery, Science Fiction and Folklore, Mythology and Symbolism, Advanced Writing and English Seminar Seminar were the choices. Through literature such as **To Kill a Mocking Bird,** and **a Separate Peace** students moved toward a deeper appreciation of quality literature. These works and others were used as springboards to develop the student's writing creativity. Creative oppartunities this year included the writing of journals, personal narratives and mystery stories. Students enjoyed Romeo and Juliet at the newly-opened Lafayette Theatre.



READING LAB

Havre de Grace High School has the distinction of being the only county high school with a HILS Reading Lab. HILS is a High Intensity Learning System program where students on all grade levels work independently on reading objectives. The student checks his knowledge periodically with diagnostic tests and then works on specific skills they need to strengthen. Emphasis in the lab is on constant reading and students in the lab are required to put forth a lot of effort. In return, they make measurable improvement and learn how to enjoy reading. Students voluntarily participate in the reading lab to improve their reading abilities.

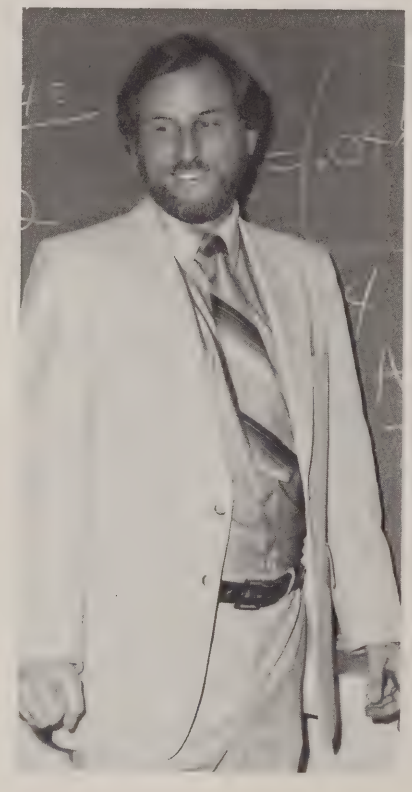
All material in the HILS Lab is put into the system according to objective and the students work with a great variety of materials, including progress charts, books, tapes, kits and filmstrips.



$SIN^2X + COS^2X = 1$

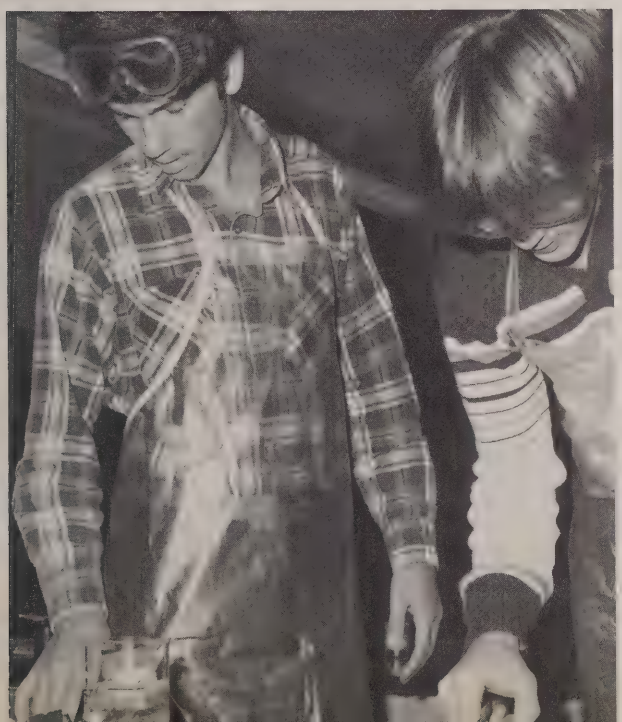
Equations, Equations, Equations! No matter what math class one might be in, eventually he will encounter an equation.

Since each class builds on the other, the higher the class level the more mind-boggling the equations become. Unlike in other subjects, students in math are limited to the different sources they can use to acquire their mathematic knowledge. All of their information either comes from books or dittos. Even though there are limitations, students still seem to enjoy the confusion of evaluating an equation.



FUTURE EINSTIENS

Physiology, Physics, Chemistry, Biology and Earth Science, to name a few, were some of the more interesting courses taught by the Science Department here at Havre de Grace High School. Every day there were many different experiments being preformed in the varying levels of classes offered. In the higher level classes field trips were taken to give the students a better understanding through visual experience. Science became an exciting and ever-changing encounter.

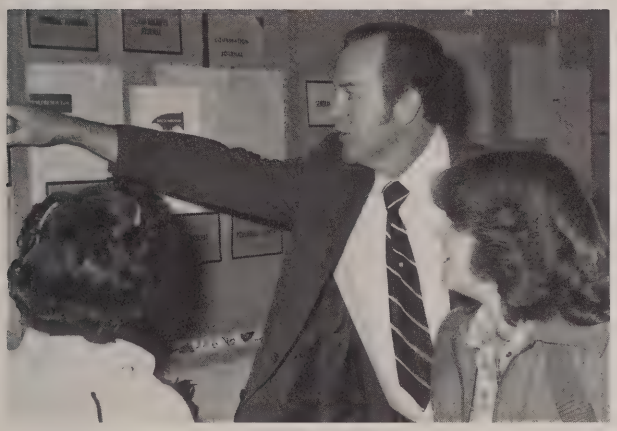


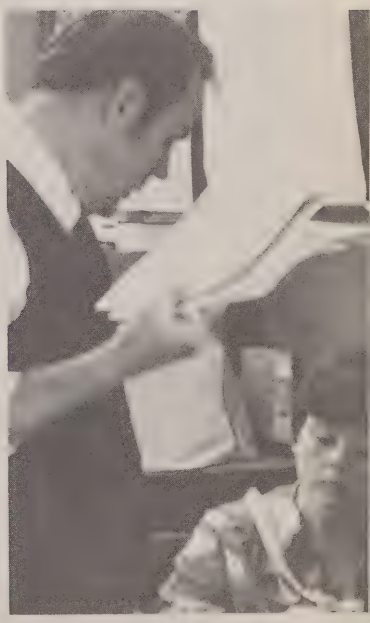
WORK EXPERIENCE

Each year a junior or a senior may opt to obtain a parttime job and join the Work Experience program coordinated by Mr. Jim Harris. Students are given the opportunity to experience the working world while still in school. Work Experience also provides the chance for career decisions to be firmed up as the employee tries his hand at what possibly could become a future livlihood. This program also offers students the chance to earn money which may be used in furthering their education, whether it be in their current line of work or toward a new choice for a career.

BUSINESS

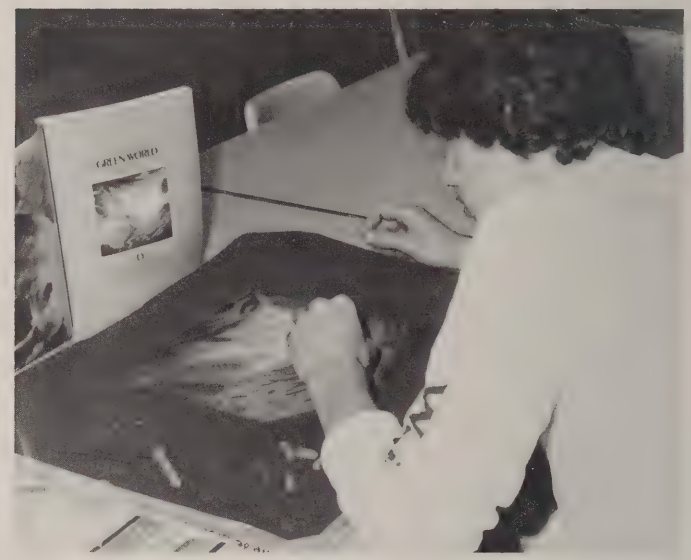
This year there was an exciting new addition to the Business Department. The newcomer was the Apple Computer System. The Apples are not only educational but also entertaining, as many teachers and students quickly discovered. The arrival of the five Apples made a radical change in the Data Processing curriculum. However, business students found that, along with Introduction to Business, Business Machines, and Office Simulation, the typing, shorthand and accounting courses remained much the same. The new computers could not replace the help and patience of Mr. and Mrs. Ballance, Ms. Benz and Mr. Holly.





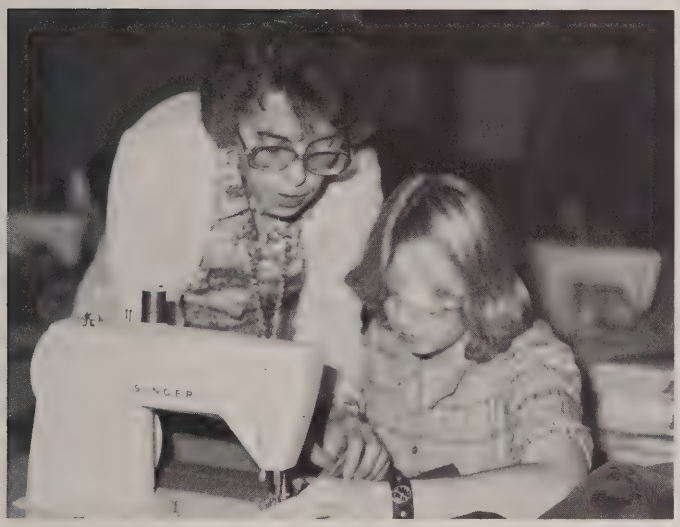
REMBRANDT LIVES

Students participating in the art cirriculum at Havre de Grace High School under the guidance of Mr. Shuler looked as promising as ever. The basics of art and design were taught in courses such as Basic Art, Commercial Art, Crafts, and Ceramics. For those who are truly challenged by art, there is an advanced course, Studio Art, offered. Here the students can go to more in depth work and develop their own style by experimenting with all aspects of art.



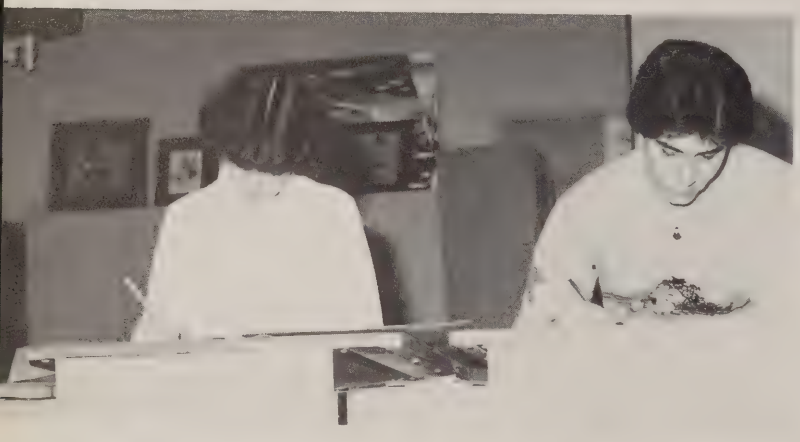
DOMESTIC ENGINEERS

Three skills which a homemaker should master are sewing, cooking and child care. All three are taught here in classes such as Fun Sewing, Creative Cooking, and Child Care. In child care students are graded on how well they work with and instruct a child. Students in the sewing classes make different articles of clothing from patterens which they choose themselves. The chefs of H.H.S. take part in many differnt activities. For instance this year they prepared and served a complete Thanksgiving dinner to the faculty and administration.



BUILDERS OF AMERICA

Those creative students who enjoyed working with their hands, especially enjoyed the industrial arts classes. Auto shop offered these students the time and tools to improve their own cars and skills and gave future mechanics guidance and practice. Nails, glue, hammers, varnish, and wood were some of the tools which were found in wood shop. These students were graded on the different pieces of furniture they built. A student who was considering a future in architecture took the drafting course. Drafting students spent time designing and learning to read blue prints. The fourth industrial arts course offered is metal shop. Students who were interested in welding received substantial training and practice in this class. Mr. Rogers, Mr. Cleek, and Mr. Belcher prepared students to be the builders of the future.



DRIVER'S EDUCATION

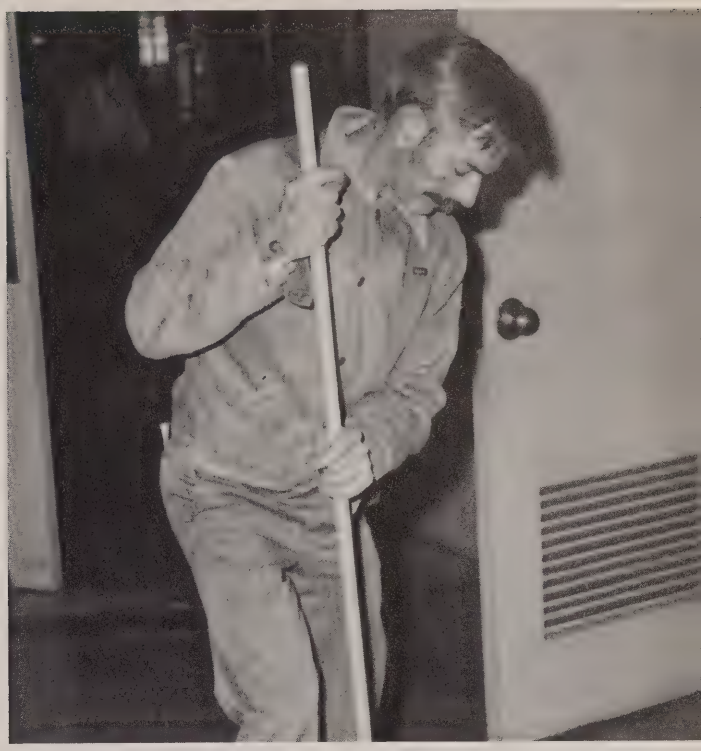
Driver's Education is offered to students at Havre de Grace five periods a day during the first semester of school. The first nine weeks of school students alternate the days on which they drove or worked in the simulator trailor. While driving the students learned to concentrate on the speed of their car as well as the cars around them. In order for a person to become accustomed to the noise and commotion made by passengers and at the same time control the vehicle, the other students talked in a normal tone to one another as well as to the driver. On the days in which students occupied the simulator, they watched films and learned to avoid hazardous situations. The next nine weeks of the semester were spent in the classroom learning the many technical terms concerning the law and different driving situations.

CAFETERIA

Standing left to right: B. Owens, C. Moody, F. Lamber, S. Ray, R. Cordell, O. Woods, H. Swan, F. Simpers. Seated: L. Newman and F. Malin

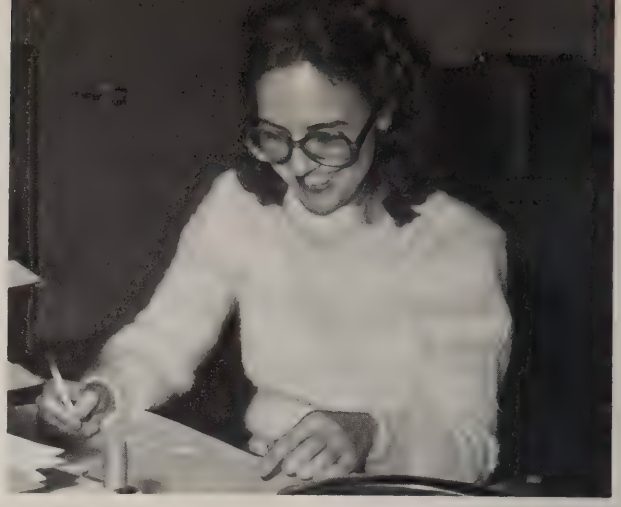
This was the year of "fast food", "plate lunch" and "salad bar" lines and prices ranging from 90¢ to $1.10. Although complaints could often be heard about the cafeteria and the food, everyday there was a stampede to the lunchroom, making departure quite difficult. Coach Baker did a fine job of keeping the herds under control. No matter how much moaning and groaning was done, lunch time always remained a favorite.

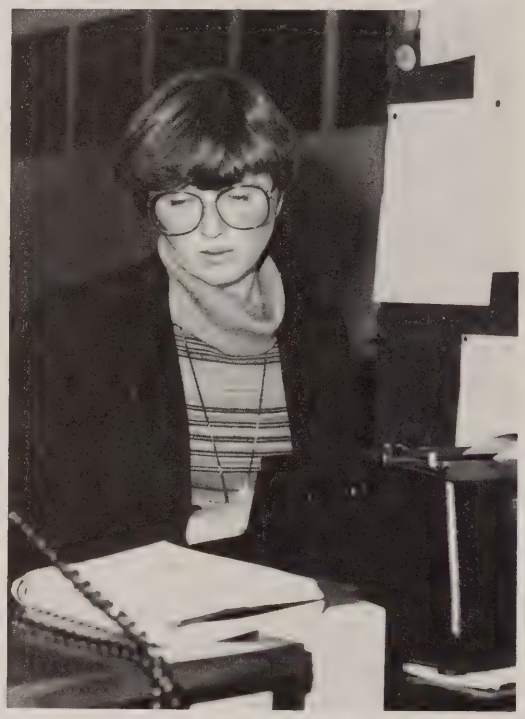
CUSTODIANS



Mr. Ware, chief custodian under the supervision of Mr. Taylor, assistant principal, headed a team of dedicated caretakers who clocked many hours of sweeping and scrubbing to keep the halls of our school shining. Pictured above are Mr. Ware and Mr. Taylor, in the cafeteria discussing a maintenance problem, H. Bittle at work, E. Warfield sweeping up. Group picture: L to R -A. Adams, F. Simmons, C. Ware, J. Ragar, L. Boddy, J. Barnes. Not pictured were H. Bittle, J. Barnes, E. Erby, J. Hurst, A. Price, and E. Warfield.

HELPING HANDS AT H.H.S.





Helping hands belonging to secretaries Ms. Edie Curry and Ms. Carol Sheetz, performed many minor and major tasks for administrators, teachers and students throughout the year. Ms. Curry and Ms. Sheetz completed attendance and financial reports, answered constant phone calls, listened to parents, students, teachers and did it all with a smile.

Ms. Shaffer's helping hands were much welcomed by those students who went the the nurses office to be reassured they were not really dying. Taking a student's pulse is one way of determining how serious a complaint might be.

GUIDANCE

Guiding students into appropriate career choices, testing, and counseling students with personal problems were three activities that kept guidance counselors, Ms. Betty Cattell and Ms. Grace Spry, working over time. Ms. Cattell counseled juniors and seniors while Ms. Spry provided guidance for freshmen and sophomores. With the very able and experienced assistance of Ms. Betty Coakley, guidance secretary, the guidance department also processed all new students and handled all withdrawals. The guidance office was a center of student comings and goings everyday all year long.

ADMINISTRATION

Managing the overall day-to-day routine of a high school is a large job, and that task was made even more complex in this year of the "MOVE" into portables as the renovation of a large part of Havre de Grace High School began. Thanks to the planning and organization of our team of administrators, Dr. Thomas Dubel, principal, Mr. William Taylor, assistant principal, and Mr. William Hunter, supervisor, this change was made easier. Along with their secretaries, Ms. Edie Curry and Ms. Carol Sheetz, the administration provided prompt and competent direction and assistance to teachers, students and parents.

HEADIN' FOR BROADWAY - THE H.H.S. SHOW CHOIR

The newest addition to the H.H.S. music division was the show choir. Formed by Mr. Castelli in September '81, the choir sings and dances. The show choir performed at the Meadowvale Elementary School, and from there the group's popularity skyrocketed. After their performance of "I Can See Clearly Now" at the Winter night and school concerts, the show choir was a sure hit!

The marching band experienced two major changes this year. One was a new band instructor, Mr. Ben Seidel, and another, was a reduction in members. Upon Mr. Seidel's arrival, he immediately set out to boost the band's membership and met some success. Mr. Seidel pulled the band together and they did several half time shows at home and away football games. While playing the Warrior Fight Song during pre-game ceremonies, the marching band exemplified Warrior spirit.

SusQuehannock Staff '82

Writing, editing, rewriting and typing copy as well as selecting and cropping pictures, designing pages and making final layouts were the time-consuming activities that the yearbook staff with advisor, Mrs. Sandra Tracy, and editor, Tammy Little, involved themselves with each school day from September through May. Hard work, mild arguments and overall harmony characterized the 1982 Susquehannock and Gracian staff.

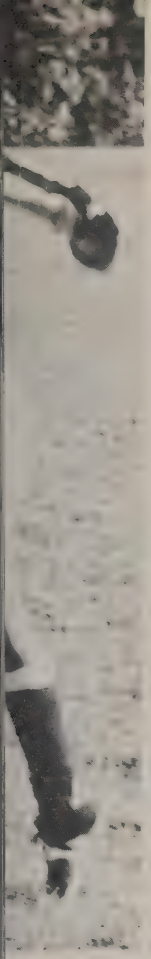
The 1981 Varsity Soccer Team didn't do as well as they expected. They lost all their games, some by only one goal, but they had an excellent defense. "The difference between winning and losing was a few opportunities," said Coach Trafton. With twelve of the players graduating this year, the team will have new players next year. Although they will lose this year's all-county player, Chip Yeager, the soccer team may have a better season next year.

Varsity Soccer Team: Front Row- J. Farro, C. Logan, D. Droulet, K. McIntyre, J. Lewis, Second Row- R. Steelman, M. Driesen, T., Gorham, O. Crownover, J. Blomquist; Third Row- Mr. Trafton (Coach), C. Yeager, M. Gross, M. Wettig, D. Bailes, J. Mazzei, D. Lynch, Mr. Bollinger (asst. Coach)



The Warriors' J.V. Soccer team strove hard through their rigorous schedule. Greg McRoberts and Jodi Henry led the Warriors offense and kept the team spirit going. The defensive leaders were Joey Farro and Blake McCloud. The J.V. Soccer team was persistent and wouldn't give up. Although their record was 0-11-1, they gave it their best shot.

J.V. Soccer Team: Front Row: G. McRoberts, J. Henry, B. McCloud, J. Mazzei, M. Sides, R. McCulley; Second Row: R. Meezan, L. Voss, R. Ferrara, C. Brown, S. Bowman, D. Angelini; Third Row: Mr. Schuler(coach), C. Scarlato, C. Hawkins, S. Jones, M. CoFrancesco, A. Mays, B. Huey.

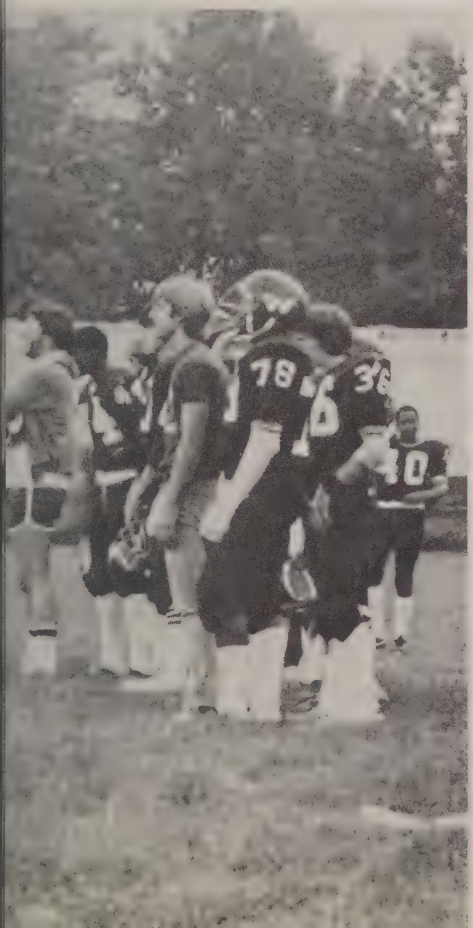
Sheppard, J. Wolbert, J. Curry, R. Sampson; Fourth Row: S. Johnson, J. Crawford, K. Henry, R. Barnes, M. Schultz, B. Cullum; Last Row: T. Donaldson, M. Sheppard, K. White.



Disappointing is the word to best describe this year's J.V. football season. With a record of 0-9-0, the J.V. players fell to a season of defeat. If nothing else was gained, the players at least increased in experience. They're hoping that next year will be a more successful season.

Front Row: R. Bishop, D. Bond, T. DiMauro, T. Barnes, G. Stansbury, B. Dennis, D. Malloy, J. Lee; Second Row: M. Stansbury, S. Graybeal, A. Liberatore, C. Ridgely, J. Davidson, S. Lambert, J. Varsity Field Hockey

The Varsity Field Hockey team had a very disappointing season with a record of 6-5-0 after being County Champs last year. The high scorers were Kathryn Branch, Christa McIntyre and Sue Cabot. The defense was led by Vickie Glassman, Tamara Vaughn, Stephanie Vaughn, Judy Holloway, Michele Rimel, Angie Cabot and Felizatas Henemyre.

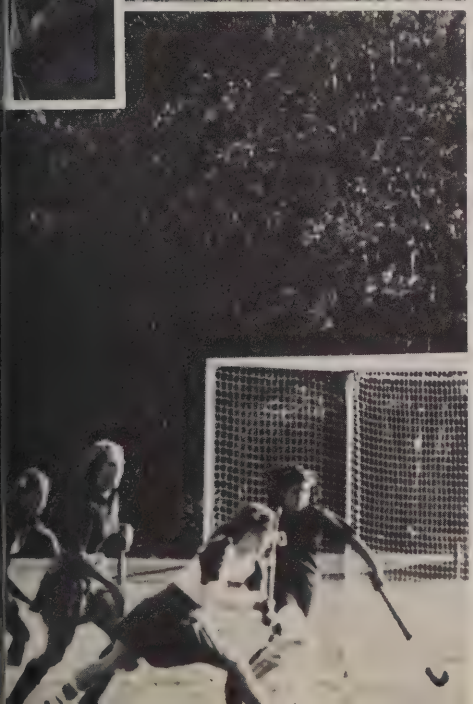
J.V. Field Hockey

The Warrior's JV Field Hockey team showed great athletic ability this year. Their record was 5-1-3 and for a team that consisted mainly of new players, that was very good. With having a building year the team showed great potential. The whole team contributed to their successful year.

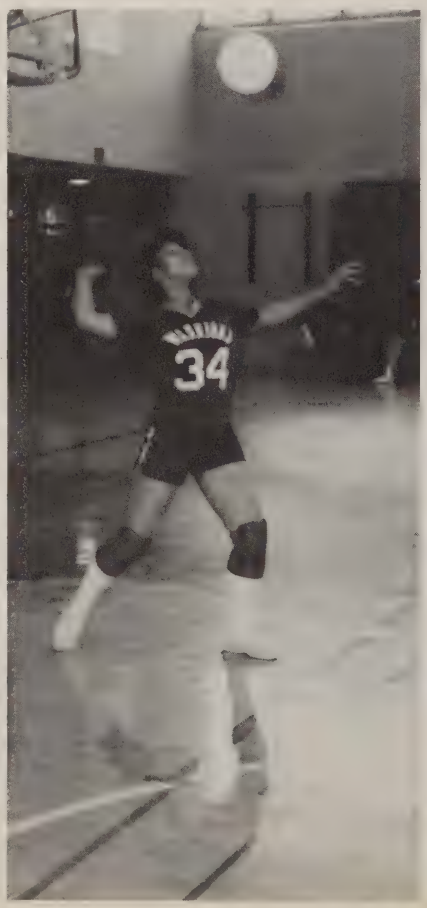


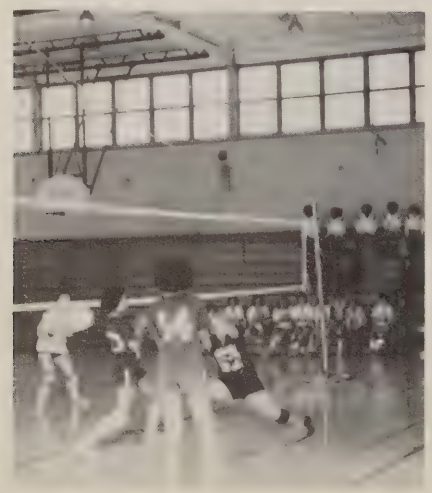
Front row- T. Pryor, L. Skelley, K. Locke, S. Mazzei, B. Davison, D. Taylor, K. Wilson, Second row- B. Nori, J. Elliot, M. Pensell, S. Worthington, D. Coackley, T. Kempsell, P. Polk, B. Gray, Ms. D. Weber, (Coach)

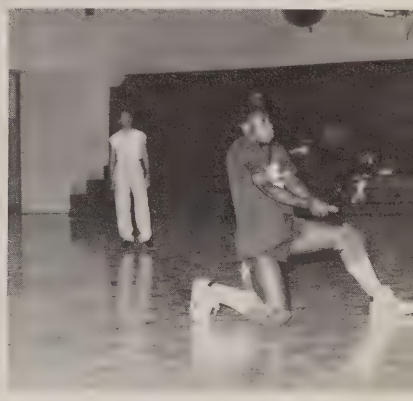
Boys Volleyball

The Warrior Boy's Volleyball team with a record of 9-3 had a successful season. Contributing to the team's success were Tim Rice and George Bond, leading in both offense and defense positions. Rounding out the team with determination and team spirit were Steve Smith, Haskel Johnson, Wardell Walton, and David Gordon.

Boy's Volleyball Team; Front Row: Steve Smith, George Bond, Wardell Walton, Haskel Johnson; Back Row: David Gordon, Mr. Holly (coach), Tim Rice.







Girls Volleyball

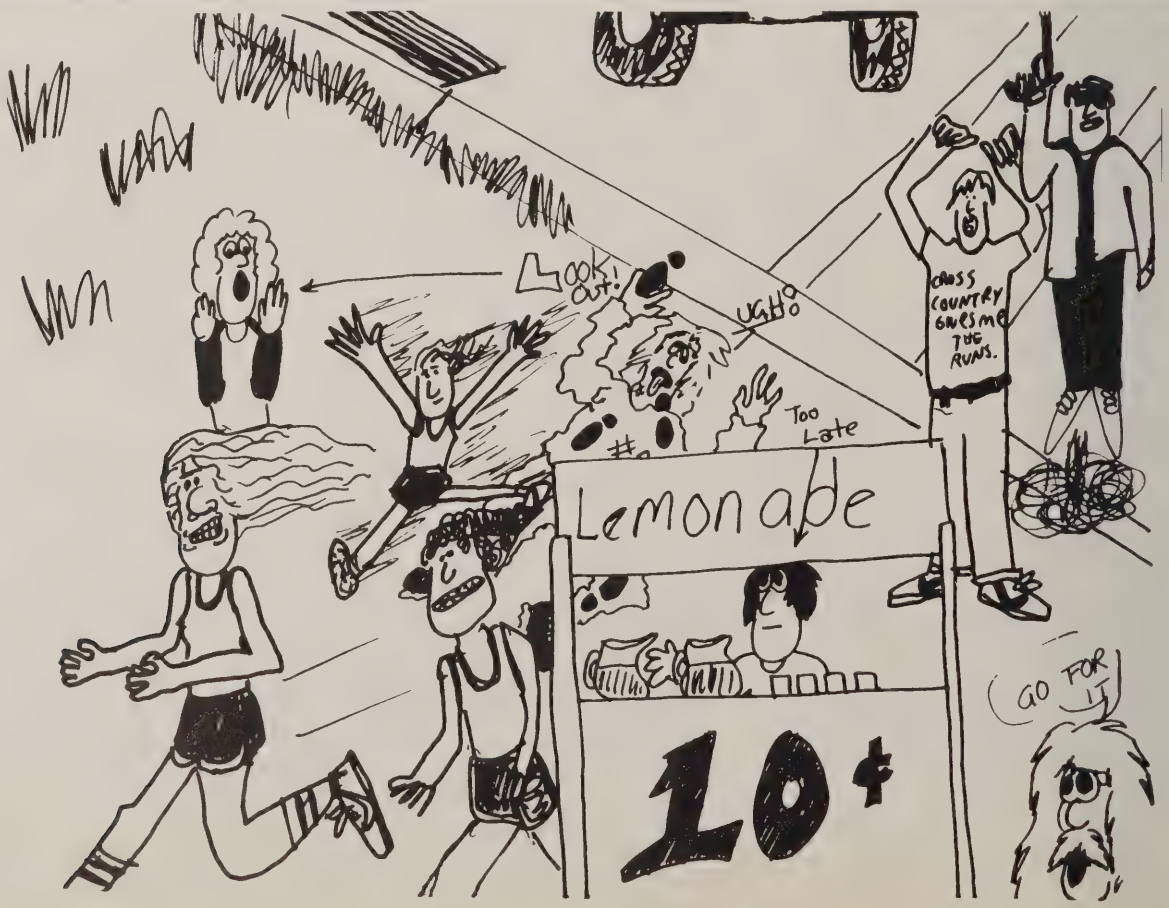
With the inspiration and guidance of Mrs. Elaine Jackson, coach, the 1981 Girl's Volleyball team had a fairly even season with a record of 5-7-0. Leading the offense were Denise Steelman and Jackie Webster. On the defensive end, leading the girls were Patsy Bond and Angie Payne.

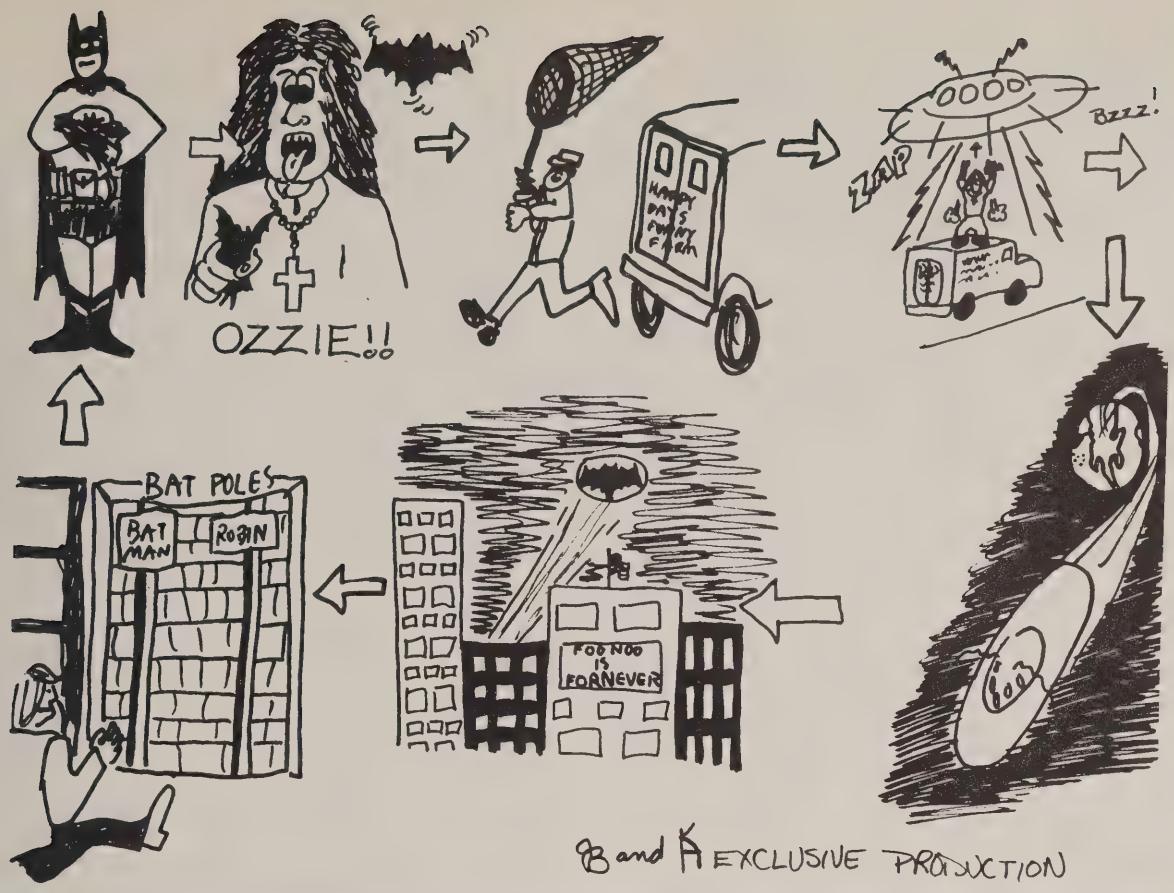
Front Row: A. Gaches, D. Steelman, J. Webster, P. Bond, V. Stokes, M. Hoke, Back Row: Mrs. Jackson (coach), S. Lee, L. Gordon, S. Tildon, C. Friis, V. Workman, A. Payne, T. Lawson

B Cross Country

The 1981 Boy's Cross Country team started the season slowly but picked up momentum and by the time the State Meet arrived, they made a respectable showing. The slow start was mainly the result of losing some of their better runners to graduation and transfer.

Boy's Cross Country Team: Front Row: J. Hitchcock, C. Stone, R. Stone, K. Harvey(capt.), T. Head; Second Row: Ms. Shrock(ass't. coach), Mr. Rudolph(coach), K. Strahan, R. Workman, L. Parker, J. Hibbs, S. Lehnert (mngr.).





G. Cross Country

District Champions? Girls? No way! Well it finally happened. A girl's squad captured a district trophy for the showcase. After four years of disappointment, HHS Girls Cross Country showed the county district and State that they are truly a team to fear. After an impressive third in county, a third in state and District 3 champions this modest type squad of thinclads is a prime example of determination, endurance and pure physical strenghth.

Girl's Cross Country Team: S. Lehnert(mngr.), Ms. Shrock(ass't. coach), S. Zachary, Mr. Rudolph(coach), T. Blansfield, M. Chidsey, J. Harvey, L. Southall, C. Harvey.

"Give me a W! Give Me an A!" You've all heard our Warrior ladies cheer. And no doubt you've cheered along with them. Looks like fun, doesn't it? Well it sure is, but it also takes a lot of practice as would any other sport.

The squads were chosen after tryouts were held last June. Tryouts consisted of performing three cheers, two of which were the girls' own original cheers. Three jumps, splits to the left and right, and a teacher evaluation were all tryout requirements. The overall decision was based on a point system. Each category, consisting of a given amount of points, totalled a possible 200 points. After being judged by Ms. Newell and Ms. Ruckman, the top 13 girls were chosen and divided into 2 squads placed under captains, Julie Johnson and Tanya Smith.

Fall Cheerleaders: Donna Anderson, Rhonda Ray, Becky Bohn, Julie Johnson(capt.), Kim Angelucci, Charlene Wilson, Deanna Massey, Marianne Lisanti, Lisa Ferrara, April Allen, Dee Dee Minor, Tanya Smith-(capt.), Debbie Dudding.

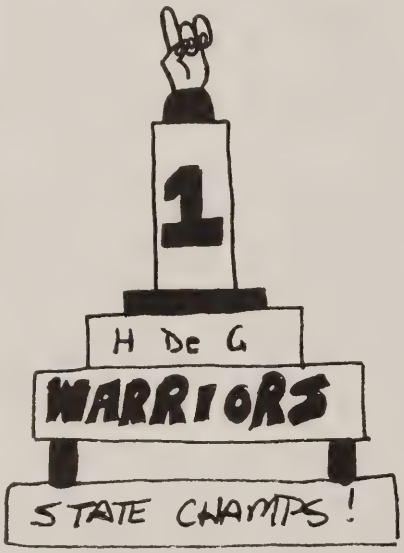
1981 State Champs!

Team work really pays off! Our 1981 Warriors surely proved that the other teams in the county were no match for them. On the defensive end, leading the Warriors were seniors Scott Deal and Steve Johnson. Leading the team's offense were Novell Jackson and Johnny Brooks. With a record of 10-1-0 for the regular season, The County Champs went on to win the state semi-finals played against the Beall Mountaineers. In the battle against the Middletown Knights, the Warriors earned their title, 1981 Class "C" State Champs!



The Havre de Grace Warriors played the Beall Mounties in the State Semi-Finals. Novell Jackson ran a 61-yard touchdown. The Warriors then scored on a 43-yard touchdown. Johnny Brooks ran a six-yard touchdown. The Warriors won and advanced in the battle for the Class "C" State Championship.

For the past four years the basketball team has had very successful seasons. The high scorer this year was Keith White with 14 points in two consecutive games.

Aside from bad losses to Fallston and Joppatown, the J. V. Boy's Basketball team played very well with a season record of 12-7. Tracy Brown was the team's high scorer and Jim Ball was the most improved player, but the entire team played with confidence and intelligence.

Thank You

We started at this way back in September.
It was difficult then too, as I remember.
There were some complaints and a few small quarrels.
But there was always hope for a better tomorrow.
When someone was in need, help was never far away.
Especially when a deadline was the very next day.
With Mrs. Tracy to guide us, we saw this thing through.
We caught the spirit of the white and maroon.
We captured memories with pictures as well as words.
Our ideas flowed free like the soaring of the birds.
Page by page we have crafted a book to be cherished.
So that our memories and dreams would never perish.

We the 1982 Susquehannock Staff, would like to thank Mr. Charles Balafee, Mrs. Sue Harmon, Mrs. Edie Curry, Mr. Bob Pattison, Mr. John Beach, and Mrs. Sandra Tracy. Without their contributions and advice this book would never have been completed. Equally as important was the help we received from you, the school population, because without you there would never have been any memories to record.
